Presbyterian Youth

SRE Special Appeal

Presbyterian Youth invites you to give money towards the work of training and equipping SRE teachers in NSW public schools.

PY is looking to raise \$90,000 to develop online training & accreditation for SRE teachers:

- Audio files that you can listen to at a time and pace that suits you
- Training in theology, childhood development and classroom management
- Online forums to network with other SRE teachers

Your support will enable us to offer this training free of charge as a service to our SRE volunteers.
