

A sovereign living God

December 27th

Read: Psalm 115

Think:

- Why does the Psalmist give God glory and not us (v1-3)?
- Why are worldly idols ultimately flawed (v4-8)?
- What reason does the Psalmist give to bless the Lord (v9-18)?

Act

- When would you need to remind yourself of verse 3? How would you regularly remind yourself of verse 3?
- Create: Write a poem / draw something / write out a verse / make a list / write a prayer to remind you of the blessings that God has put in your life.
- How will you put away some of the idols¹ in your life? How can you reduce their influence in your life?

¹ Idols: those things that are replacing God
