

A World stained by sin

December 28th

Read: Romans 8:18-25

Think:

- What is the current state of the creation (v20)? How is that reflected in the world today?
- How is it different for Christians? What are we given as proof of our hope? (v23)
- What does the passage call us to do now (v25)?

Act:

- Create: Write a poem / draw something / write out a verse / make a list / write a prayer to remind you that the world is under sin.
- In light of this passage, how should Christians be praying for this world?
- How can you hold more strongly on the hope you have in Jesus?

First fruit: the first fruits of the harvest. It is a sign and indication of the full harvest that is to come.
