

## Justified by Faith or the Law

December 29<sup>th</sup>

### Read: Galatians 2:15-21

#### Think

- What are the two choices for justification<sup>2</sup> (v15-16)? How do you sometimes try and earn your salvation?
- How does the passage describe how someone lives by faith (v17-20)?
- If a Christian sins, does that mean they are not a Christian (v17-21, especially 21)?

#### Act

- Why do we sometimes go back to thinking that our salvation is based on our actions? Does that positively or negatively affect our relationship with Jesus?
- What is our relationship with Jesus built on? Draw a picture to show that.
- What can we do to make sure we always base our relationship with Jesus by faith and grace?
