*One week for fun, friends and learning how to navigate  
life with Jesus as your guide and Saviour.*

**The speaker:** Davo is the Lead Pastor of Adelaide Presbyterian Church. He and his wife Megan have 4 kids who are awesome (most of the time). In his spare time Davo is a rugby referee and he is a Waratahs tragic. The real tragedy is our performance this season. Regardless of the topic he is always up for a chat. Davo is keen to jump into the gospels with you and explore the question "who is this man" Jesus?

**The theme:** The gospels relate many famous stories about Jesus, but one in particular – the calming of the storm – made them ask "Who is this man?" We will be spending the week learning about Jesus' life from the New Testament.
